Venue Information

Everything will take place in or around [campus Dejvice](#). The campus is conveniently located on [metro line A \(Dejvická\)](#), which goes towards the airport, but also directly to the city center. So you can plan your accommodation accordingly, basically any hotel on metro line A will guarantee you a quick access to the venue. Lectures will be in room [BI](#), which is located in building B of UCT Prague ([entrance](#)). Here is a map of points of interest:

Recommended Hotels

We do not have any agreements with the hotels so you will need to book your accommodation yourself, but here are a few that you might be interested in:

Personal Favorites

These hotels might not be conveniently on campus, but have some nice character and good references from guests in the past.

1. <https://hotelavion.cz/> – good price/performance ratio and reasonably close to the venue (accessible by tram/metro)
2. <https://www.hoteladalbert.cz/> – a very scenic one with access to good beer (accessible by bus/tram, a little far)
3. <https://www.vila-lanna.cz/cs/> – very nice and also not far from campus (short walk)

Most Convenient

These might not be special, but are right on campus and/or cheap.
